2. Write down phone numbers, names of doctors seen etc.
3. Investigate the health condition.
4. Find out what you can about your condition to enable you to understand more about your possible treatment.
5. Take a list of the questions you want to ask the Doctor and/or Specialist Nurse.
6. Make a note of the answers afterwards.
7. Plan ahead.
8. Think of all the likely pitfalls and discuss any concerns with a member of the Health Connections team, as they may be able to assist you or direct you to another service provider.
9. Arrange a team of friends who can help you communicate news.

Services involved with the Referral Process

When your Doctor or Consultant decides to refer you to the UK for medical treatment, they will write to the Medical Consultant at the designated UK Hospital as well as informing the Off-Island Travel Team at Health & Social Care (HSC). HSC will then advise the Employment and Social Security (ESS).

Referral Process

The Committee for Employment and Social Security

On receipt of your appointment or admission date please contact your consultant or their assistant at the Medical Specialist Group. They will inform Employment and Social Security (ESS), who will contact you to arrange your travel needs.

Tickets with some flexibility will be issued if your return date is in doubt. However, should the hospital need to change your appointment or admission date, new tickets will be provided. ESS will give you a contact number should you need to change your return booking out of office hours.

Onward travel from the airport to the hospital will be arranged at the same time. If your doctor confirms that due to medical reasons you are unable to use rail, underground or bus then funding of a taxi will be considered. For hospitals in Southampton a taxi is provided to and from the airport. Please inform staff when booking your travel if you require a wheelchair/accessible taxi as this will need to be booked in advance.

If you do not have time to apply for funding before you travel, keep all your ticket confirmations and receipts and contact the Travel Grant Section on 01481 222510 or call into their office at Edward T Wheadon House on your return to claim a refund. The Travel Grant Section is on Level 2; a lift is available if you are unable to use the stairs.

Important: The Reciprocal Health Arrangement

The Reciprocal Healthcare Arrangement (RHA) with the UK came into effect on January 1st 2023. This allows the necessary healthcare to be provided to Bailiwick residents visiting the UK and vice versa. The arrangement will also allow certain treatments to be arranged in the other jurisdiction ahead of travel that will also be free of charge e.g., dialysis treatment. Necessary healthcare refers to treatment that is urgent or cannot wait until the patient has returned home.

The RHA extends to the whole of the Bailiwick, visitors and residents of Sark and Alderney are covered subject to some minor differences in processes due to differences in healthcare provision in each island. To access necessary healthcare whilst in the UK, Bailiwick residents should ensure they have documentation which proves their eligibility to access healthcare under the RHA e.g. a passport, driving licence or proof of address/travel. Detailed guidance documents which provide information for travellers can be downloaded from www.gov.gg/rha
