# GUERNSEY FRIENDS OF MAGGIE'S

We are a Guernsey based charity established in 2019 to support Maggie's, whose funding relies entirely on kind donors, fundraisers and gifts.

Please help us to help fellow islanders with cancer:

**Do your own thing** - from a coffee morning to a skydive!

**Ask your company to support us** to become their Charity of the Year, offer payroll giving, matched employee fundraising or donating time and skills.

Set up a **Regular Gift** however small.
