

Val des Terres Everest Challenge 2023

Justgiving Instructions

To finalise your registration, you simply need to set up your own Justgiving page, pay your £15 entry through that page.

- 1) Firstly, you must create your own Justgiving page so that you can begin fundraising. If you have never set up a page before, don't worry, it is very easy and this entire process will only take a few minutes.
- 2) To set up your own page click on this link:<https://www.justgiving.com/smileforgeorgiefoundation>
- 3) In the top right hand corner there are two options: "Fundraise for us" & "Donate". Click on "Fundraise for us".
- 4) After you click 'Fundraise for Us' you must either log in if you already have a Justgiving account by entering your Email Address and Justgiving Password; OR, you must set up a new account via the 'Sign Up' link at the bottom of the pop-up form. This will require you to enter your Email Address, your First Name, your Last Name and a suitable Password. Make sure you can remember it for future use. Then click "Continue".
- 5) On the next page, select the third option, "Remembering Someone".
- 6) On this page, you will be prompted to enter some details under the heading "Who are you remembering". Insert: "Georgie" in the first box, and "Le Prevost" in the second. Then click "Female". From the drop down list, please select "Friend".
- 7) You will then be asked to choose your fundraising page address. Please choose something sensible which others will find easy to locate when searching for your page.
- 8) You are then asked "Is your charity contributing to the cost of your fundraising?" Please click "no", then hit 'create your page'. You may then edit your page as you wish for example by indicating how much you intend to raise, etc.
- 9) Once you finished personalising your page, select "Save and Continue".
- 10) Next you'll need to pay your £15 entry for the event. To do this click on 'visit your page' and follow the instructions to donate the required amount. You can decide whether or not to leave a message. You will need a credit or debit card for this.
- 11) As soon as you have set up your Justgiving page and made your deposit, please follow this link <https://justgiving.com/team/EverestChallenge2023> and select "Join the Team". This will join you into the Walking Challenge communal group, and then off you go with your fundraising!

That's about it. We will be in touch soon with more information but if you have any questions at all please post them on the Val de Terres Everest 2023 Facebook page. Thank you very much for taking part in this challenge and for supporting such incredibly important local charities!
